UNPAID LEAVE / SUSPENSION DEDUCTIONS — AUGUST

Employee	Reason	Full Monthly Basic Salary	Working Days in Aug 2026 (excl. Sundays)	Daily Rate (Basic ÷ Working Days)	Days Absent	Deduction (Daily Rate × Days Absent)	Adjusted Basic Salary
Guillaume Niyonzima	10-day suspension (Sundays excluded)	1,081,923	26	41,612.42	10	416,124	665,799
Tabu Derrick	12 days absent (prorated on calendar-day basis, consistent with new starters)	369,616	31	11,923.10	12	143,077	226,539

Daily rate = full monthly Basic Salary ÷ 26 working days in August 2026 (31 calendar days less 5 Sundays: Aug 2, 9, 16, 23, 30). Transport allowance is not prorated. The deduction reduces Basic Salary only, so Gross Pay, NSSF, PAYEE and LST in the main table recalculate automatically from the lower base, which is why NET PAY for these two employees is lower than the June/July fixed figure this month.

NEW STARTERS — PRO-RATED PAY — AUGUST

Employee	Reason	Full Monthly Basic Salary	Calendar Days in Aug 2026	Daily Rate (Basic ÷ Calendar Days)	Days Worked (from 12 Aug)	Prorated Basic Salary (Daily Rate × Days Worked)
Emile Niyungeko	Started 12 Aug 2026 (pro-rated first month)	368,846	31	11,898.25806	20	237,965
Gloria Nakakawa	Started 12 Aug 2026 (pro-rated first month)	368,846	31	11,898.25806	20	237,965
Racheal Tagulwa	Started 12 Aug 2026 (pro-rated first month)	368,846	31	11,898.25806	20	237,965
Lorraine Ninihazwe	Started 12 Aug 2026 (pro-rated first month)	368,846	31	11,898.25806	20	237,965
Shamirah Nantume	Started 12 Aug 2026 (pro-rated first month)	368,846	31	11,898.25806	20	237,965
Viola Akatikwasa	Started 12 Aug 2026 (pro-rated first month)	368,846	31	11,898.25806	20	237,965

Daily rate = full monthly Basic Salary ÷ 31 calendar days in August 2026 (pro-rated on a calendar-day basis, not working days, since these employees started mid-month). Days worked = 12 Aug to 31 Aug inclusive = 20 days. Transport allowance is not prorated, consistent with the unpaid-leave deductions above. The prorated figure replaces Basic Salary only, so Gross Pay, NSSF, PAYEE and LST in the main table recalculate automatically from the lower base.

Previous unpaid wages: none confirmed ("—") — amounts to be confirmed and added before payment. All figures above are as recalculated by the Hope Design payroll engine (payroll 632, PAY-2026-00000590).
